

## HOW TO INSTALL GOOGLE PLAY STORE

To install GOOGLE PLAY STORE, please follow the instructions below:

Check if you have the right material:

- 1) Theater headphones connected to the power supply (it cannot be switched off during the operation)
- 2) A micro SD card of at least 1 GB (Format FAT32)
- 3) A computer (capable of writing on a micro SD card)
- 4) An internet connection

You can retrieve the update file "UPDATE.ZIP" by following this link:

<https://www.mediafire.com/file/gf5si4797i9cglc/update.zip>

Depending on the connection, the download time may vary.

When the file is downloaded:

- 1) You can copy it as is (do not unzip) on the micro SD card (UPDATE.ZIP)
- 2) Eject the micro SD card from your computer and insert it into the slot of the THEATER headset

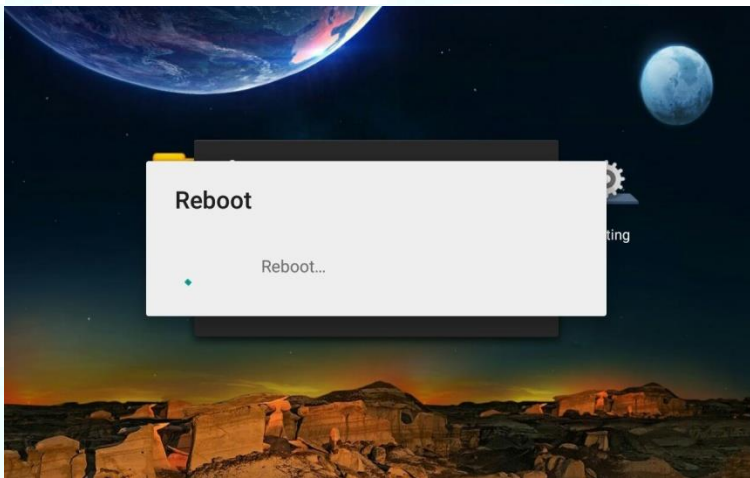

⇒ A window will open:

⇒ Click on "install" and another window will open

⇒ Do not remove the card until the installation has been completed and the system has not restarted completely.

This will:

Perform pre-installation of the play store (to be finalized by the user)
